CASE NO. C21-0073JLR

MINUTE ORDER

16 The following minute order is made by the direction of the court, the Honorable  
17 James L. Robart:

18 On February 1, 2023, the court issued a revision to its Local Civil Rules that  
19 replaces page count limits for motions and briefs with word count limits. *See* Local  
20 Rules W.D. Wash. LCR 7 (Feb. 1, 2023). Each motion or brief must “include the  
21 certification of the signer as to the number of words, substantially as follows: ‘I certify  
22

1 that this memorandum contains \_\_\_\_ words, in compliance with the Local Civil Rules.’”

2 *Id.* LCR 7(e)(6).

3 The parties’ joint stipulation to extend the deadline for Plaintiff to respond to  
4 Defendant’s motion for summary judgment (Dkt. # 59) does not include the certification  
5 required by Local Civil Rule 7(e)(6). Nevertheless, the court will accept the filing. The  
6 court DIRECTS the parties to carefully review the current version of the Local Civil  
7 Rules on the court’s website at <https://www.wawd.uscourts.gov/local-rules-and-orders>.  
8 Failure to follow the Local Civil Rules in the future may result in the motion or brief  
9 being stricken from the docket.

10 Filed and entered this 9th day of February, 2023.
